

## **GFEBs Senior Solaris/UNIX System Administrator**

**Description:** Cassidy Consulting Group is seeking a GFEBs Senior Solaris/UNIX System Administrator. This is a W-2 job opportunity. Please visit our website to learn more about Cassidy Consulting Group – <https://www.cassidyconsulting.us>.

### **Position Description:**

GFEBs is an Army division that stands for General Fund Enterprise Business System. This is a full-time hybrid position with 1 day onsite every few weeks. This position is for a Solaris Systems Administrator with 10+ years' experience to build and maintain a growing environment supporting databases and SAP applications. This position will work with the existing UNIX team and the ERP team to manage, maintain, deploy, troubleshoot, and support servers for a mixed customer environment.

This position will assist with implementing new system hardware and software while providing input for developing local operating procedures and policies as needed. This position will need to be adept at monitoring the ongoing operation of the servers and providing utilization reports to identify problems and corrective actions as needed.

### **Position Requirements:**

- Detailed knowledge and experience with Solaris 10 and Solaris 11 administration, to include shell scripting and networking concepts (VLANs, routing, firewalls, subnetting)
- Familiarity with server virtualization technologies (e.g. VMware, Solaris zones, Solaris Logical Domains)
- Familiarity with SAN/storage concepts (LUNs, HBAs), logical volume management, and NFS
- Working knowledge of OS security best practices and experience with the Secure Technical Implementation Guide (STIG) process
- Experience configuring/managing/updating large groups of servers.

### **Desired skills:**

- Familiarity with Red Hat
- Management of Veritas Cluster Services

**Contract Labor Category:** Systems Engineer – Senior

**Security Clearance:** DOD Secret as a minimum

**Education:** Bachelor's or Master's

**Citizenship:** United States

### **Required Certifications:**

CompTIA Security+  
Solaris
