

## Primavera Scheduler

**Description:** Cassidy Consulting Group is seeking a Senior Level Primavera P6 Scheduler/Planner. This is a W-2 job opportunity. Please visit our website to learn more about Cassidy Consulting Group – <https://www.cassidyconsulting.us>.

### Job Description:

C2G is looking for a Senior Level Primavera P6 Scheduler /Planner to support the Department of Energy (DOE) Oak Ridge Office of Environmental Management. A successful candidate for this position will have demonstrated expertise in scheduling and planning within the Primavera P6 software tool, will be capable of planning, monitoring, and reporting on the development and maintenance of a complex, resource-loaded, baselined Integrated Master Schedule (IMS).

### Job Requirements:

- Ability to integrate and analyze individual project and program schedules, assemble and analyze the schedule, provide schedule health assessments, as well as critical path and related analysis.
- Will provide technical support, build positive collaboration with ORNL organizations, Defense Programs (DP), Department of Defense (DoD), and the ORNL Management and Operating (M&O) contractors.
- Work performed is extensive in scope and requires an individual with demonstrated project controls expertise, master-level expertise in P6 scheduling, the ability to work in a highly dynamic team environment, and interface with broad range of federal and contractor staff.
- Experience with EIA 748 compliant Earned Value Management Systems (EVMS) is desired but not essential.
- Must analyze, compile, and present large data sets from a variety of organizations and sources and make recommendations for improvement to content and accuracy.
- Must prepare monthly, quarterly, bi-annual, annual, and as-needed reports to support the program.
- Have extensive experience with various forms of schedule risk analysis and integration of risk management systems into scheduling processes.
- Effective collaboration with federal and support staff to maintain operations, including the integration of ongoing schedule updates to reflect the regularly received data received from both federal and clients.
- Working within the ORNL and Livermore, CA office.
- Stay current on the advancement of tools and data products that impact schedule integrity.
- Must demonstrate self-motivated habits, professional demeanor, have a demonstrated background of exemplary interpersonal and communications skills.
- Strong oral and written communication skills

### Education and Experience

- Bachelor's Degree in applicable field (or equivalent years of experience)
- Minimum of 10 years of P6 scheduling/planning experience
- Demonstrated expertise with Primavera P6 software
- Knowledge of Earned Value Management Systems (EVMS) principles, terms, and concepts to evaluate program progress and health.
- Proficiency in the Microsoft Office suite with particular emphasis on word processing, presentation and spreadsheet applications (MS Word, MS PowerPoint, MS Excel and SharePoint).

**Preferred Education or Experience**

- Master's Degree from an accredited institution in applicable field
- Program Management Professional (PMP) Certification
- Knowledge of EIA 748 EVMS standard
- Related experience supporting large system acquisition for Department of Defense or Department of Energy desired
- Nuclear weapons experience desired

**Clearance:**

This position requires the ability to obtain and hold a DOE Q clearance.  
Active Q/TS clearance required.

**Location:**

Livermore, California
